7 - Clicking Submit will give you a confirmation screen. At this point your PACER username and password becomes your combined PACER and CM/ECF filing account (referred to as CSO account). Your old CM/ECF password will no longer be used.

The CM/ECF account for **Alaska Test Attorney** is now linked to your CSO account.

8 - If you want to proceed with e-filing, click refresh in your browser so that the Bankruptcy and Adversary filing menus will display. If the menus don't refresh, logout and then back in to access them. The URL in Step 1 and the PACER login page in Step 2 will remain the same after the accounts have been linked.

9 - If you use bankruptcy filing software, make sure you update your login and password, in the software, AFTER you complete the linking process. Contact your filing vendor directly if you have any problems connecting with their product as we cannot assist with that process.

Call the Bankruptcy Court Clerk's Office at (907)271-2655 ext 1, if you have problems with the linking process.
